The Honest Drug Book: A Chemical & Botanical Journey ...

In 2019 The Honest Drug Book was expanded to include 17 further chemicals and botanicals, and significantly more support content, under the new title of The Drug Users Bible. However, this original version remains available not only to provide an open chronology of its development and as an item for collectors, but also, for anyone who has concerns about purchasing a book with the new title (which could be viewed by some as self-incriminating).
