Verified Purchase While not as entertaining as "The Average American Marriage" and "The Average American Male," "The Lie," by Chad Kultgen was an entertaining and engrossing read. It took me a while to get into the book as the story is told from alternating points of view of the three primary characters.

Haunting and compelling, this psychological thriller is perfect for fans of *Gone Girl*, *Girl on the Train*, and *Daughter*. Jane Hughes has a great boyfriend, a job in an animal shelter, and a tiny cottage in rural Wales. She's happier than she's ever been...but her life is a lie. Jane Hughes does not really exist. Five years earlier, Jane and her best friends set off on what was supposed to be the trip of a lifetime, but it rapidly descended into a nightmare that claimed the lives of two of her friends. Ever since, Jane has tried to put the past behind her and lead a normal life. But someone out there knows the truth about what happened—and they won't stop until they've destroyed Jane and everything she loves.

A candid memoir of denial, stolen identities, betrayal, faking it, and coming out. Do you know me?, the email began, sparking tremors of fear that turned into a full quake of panic when William Dameron discovered that his selfie had been stolen by strangers. On social networks and dating sites, his image and identity--a forty-year-old straight white male--had been used to hook countless women into believing in lies of love and romance. Was it all an ironic cosmic joke? Almost a decade prior, William himself had been living a lie that had lasted for more than twenty years. His secret? He was a gay man, a fact he hid from his wife and two daughters for almost as long as he had hidden it from himself. In this emotional and unflinchingly honest memoir of coming out of the closet late in life, owning up to the past, and facing the future, William Dameron confronts steroid addiction, the shame and homophobia of his childhood, the sledgehammer of secrets that slowly tore his marriage apart, and his love for a gay father of three that would once again challenge the boundaries of trust. At the true heart of *The Lie* is a universal story about turning self-doubt into self-acceptance and about pain, anger, and the long journey of both seeking and giving forgiveness.

Three former CIA officers share their techniques for lie detection, outlining methods for identifying deceptiveness as revealed by verbal and non-verbal behaviors from facial expressions and grooming gestures to invoking religion and using qualifying language.

I've been to a million parties with my crush, but he's never acted on it til now. Ford Malone could have any woman in Chicago, so why fake a relationship with me? The world knows him as the heir to a real estate fortune, but to me he'll always be my best friend, the man who saved me from my bullies as a boy. I'm as surprised as anyone when he announces our engagement, but I'll play along. Nothing has to change except the way we behave--the way we touch--in public. But his private touches change everything. Soon the crush I've hidden for so long is threatening to swallow me whole. If I tell him how I feel, it could ruin our friendship forever. But if I don't, it might just ruin me. How many lies can we tell each other before our truth is buried for good? Book One in the Charade Series.

Leanna thinks she's doing the right thing when she encourages her best friend, Jenny, to try out for the high school tennis team. But when Jenny makes a complete fool of herself at tryouts, Leanna regrets her words. So when Leanna is given the opportunity to live the day over again, she thinks she knows what to do. But will being honest with her friend be a better choice? Or will she find herself wishing she hadn't changed her mind?

In 1987 Ken Ham wrote what would become a prophetic warning to the Church about the destructive effects of compromise with evolutionary ideas, and how this compromise undermines Scriptural authority and erodes Christian confidence in the infallibility of God's Word. Today we have Christians not only confused when it comes to Genesis and age of the earth, but even the reality of Hell, Adam as a real person, and Christ's own words about creation, marriage and more are being debated in the pulpits across the world. In this special revised and updated edition, Ken Ham again takes the lead in pointing out the looming precipice the Church is rushing towards, how evolution and/or millions of years, is driving away young people of the faith, and the biblical solution that can change it!

The LieBy Karina Halle

For Terrell Matheus, the decision to lie about his brother's death is an immediate reaction to the panic he feels at having shot him. What he has not considered when placing the blame on a truck full of white boys are the ramifications—the near riots and the vigilante anger that threaten innocent men. Terrified to admit his guilt, he watches in dismay as schoolmates make a public display of support, and in horror as his uncle seeks vengeance. Finally, unable to live with his lie and the anger it creates in the town's black community, he is forced to come to terms with the terrible truth and the incalculable hurt he has caused his parents, who have effectively lost both sons with a single shot. Though he is not sent to jail, Terrell finds himself in a prison of another kind. Shunned by former friends and forced to live away from home, he finds unexpected solace in the friendship of his dead brother's girlfriend, who stands by him as he struggles to rebuild his life. Set in Evansville, Indiana, in the mid-1970s, *The Lie* is imbued with a perfect sense of time and place. It is a startling and controversial novel about family, redemption, and the price of honesty.

Po and the Lie, is book 4 in the Naughty Soul Collection. This book is how lying is wrong! It is wrong for someone to be punished for something they have not done.

The U.S. president has decided to turn an international conference on human rights into the scene of his greatest triumph--but instead is taken hostage by a group prepared to kill for world peace. Paul Waters, an intelligence agent assigned to protect the president, joins forces with his lover, Kate Dinneson, to foil the plans of the extremist group and rescue American's leader. But can they stop the fanatics in time? And did the president plan his own kidnapping?
