The best known example comes from the 1974 film Chinatown, which brilliantly evoked noir mysteries of the past, while undermining almost every one of their familiar premises.

Set in a small town in Switzerland, *The Pledge* centers around the murder of a young girl and the detective who promises the victim's mother he will find the perpetrator. After deciding the wrong man has been arrested for the crime, the detective lays a trap for the real killer—with all the patience of a master fisherman. But cruel turns of plot conspire to make him pay dearly for his pledge. Here Friedrich Dürrenmatt conveys his brilliant ear for dialogue and a devastating sense of timing and suspense. Joel Agee's skilled translation effectively captures the various voices in the original,

as well as its chilling conclusion. One of Dürrenmatt's most diabolically imagined and constructed novels, *The Pledge* was adapted for the screen in 2000 in a film directed by Sean Penn and starring Jack Nicholson.

The detective investigating a little girl's murder promises the child's mother that he will find the culprit, and his vow turns into an obsession that will take him into the depths of good and evil, crime and punishment.

of two precursors to the modern detective novel by Friedrich Dürrenmatt, whose genre-bending mysteries recall the work of Alain Robbe-Grillet and anticipate the postmodern fictions of Paul Auster and other contemporary neo-noir novelists. Both mysteries follow Inspector Barlach as he moves through worlds in which the distinction between crime and justice seems to have vanished. In *The Judge and His Hangman*, Barlach forgoes the arrest of a murderer in order to manipulate him into killing another, more elusive criminal. And in *Suspicion*, Barlach pursues a former Nazi doctor by

checking into his clinic with the hope of forcing him to reveal himself. The result is two thrillers that bring existential philosophy and the detective genre into dazzling convergence.

In Friedrich Dürrenmatt's experimental thriller *The Assignment*, the wife of a psychiatrist has been raped and killed near a desert ruin in North Africa. Her husband hires a woman named F. to reconstruct the unsolved crime in a documentary film. F. is soon unwittingly thrust into a paranoid world of international espionage where everyone is

watched—including the watchers. After discovering a recent photograph of the supposed murder victim happily reunited with her husband, F. becomes trapped in an apocalyptic landscape riddled with political intrigue, crimes of mistaken identity, and terrorism. F.'s labyrinthine quest for the truth is Dürrenmatt's fictionalized warning against the dangers of a technologically advanced society that turns everyday life into one of constant scrutiny. Joel Agee's elegant translation will introduce a fresh generation of English-speaking readers to one of European literature's masters of language,

The Swiss writer Friedrich Dürrenmatt (1921-90) was one of the most important literary figures of the second half of the twentieth century. During the years of the cold war, arguably only Beckett, Camus,

Sartre, and Brecht rivaled him as a presence in European letters. Yet outside Europe, this prolific author is primarily known for only one work, *The Visit*. With these long-awaited translations of his plays, fictions, and essays, Dürrenmatt becomes available again in all his brilliance to the English-speaking world. This second volume of *Selected Writings* reveals a writer who may stand as Kafka's greatest heir. Dürrenmatt's novellas and short stories are searing, tragicomic explorations of the ironies of justice and the corruptibility of institutions. Apart from *The Pledge*, a requiem to the detective

story that was made into a film starring Jack Nicholson, none of the works in this volume are available elsewhere in English. Among the most evocative fictions included here are two novellas: *The Assignment* and *Traps*. *The Assignment* tells the story of a woman filmmaker investigating a mysterious murder in an unnamed Arab country and has been hailed by Sven Birkerts as “a parable of hell for an age consumed by images.” *Traps*, meanwhile, is a chilling comic novella about a traveling salesman who agrees to play the role of the defendant in a mock trial among dinner companions—and then pays the ultimate

penalty. Dürrenmatt has long been considered a great writer—but one unfairly neglected in the modern world of letters. With these elegantly conceived and expertly translated volumes, a new generation of readers will rediscover his greatest works.

A captivating neo-noir classic from one of the masters of the genre A respected professor is dead—shot in a crowded Zurich restaurant, in front of dozens of witnesses. The murderer calmly turned himself in to the police. So why has he now hired a lawyer to clear his name? And why has he chosen the

drink-soaked, disreputable Spät to defend him? As he investigates, Spät finds himself obsessed, drawn ever deeper into a case of baffling complexity until he reaches a deadly conclusion: justice can be restored only by a crime. The Execution of Justice is a dark, wicked satire on the legal system and a disturbing, if ambivalent, allegory on guilt, justice, violence and morality.
