live our everyday lives in alignment with divine love and truth. The early chapters here establish a foundation of spiritual practices that can be used by everyone to improve their lives. The later chapters speak to the core of what holds us back from becoming our true selves and finding our path to Oneness. When it comes to helping us transform our lives, there is no voice that speaks with more clarity and impact than Amarah's. Drop all new age stereotypes; this is a prophet with the sword of truth.

frequencies of the Nine Waves of Creation • Explains the quantum physics behind the Waves of the Mayan Calendar system and how their holograms shape the human mind • Shows how throughout history each revolution in human consciousness has been driven by the activation of one of the Nine Waves of Creation • Reveals how we can consciously work to deactivate the negative patterns of the Sixth Wave and manifest the unity consciousness of the Ninth Wave In the past few years the world has witnessed changes in social consciousness whose sudden development the ruling scientific paradigm has not been

able to explain. These changes correspond with the activation of new Waves of Creation emanating from the center of the universe that influence human thinking. From the Big Bang to the present, these Waves guide the evolution of the universe and, through their holographic resonance with the human mind, profoundly shape revolutions in religion, technology, economy, and social consciousness. Presenting a quantum-holographic perspective on world history and human consciousness, Carl Calleman explains the quantum physics behind the Waves of the Mayan Calendar system and how these Waves

allow us to understand the shifting eras on Earth as well as the possibilities of the future. He describes how, prior to the activation of the 6th Wave in 3115 BCE, our social systems were based on a unified cosmic order, but the hologram of this Wave shifted society to an all-consuming focus on Good and Evil, leading to the rise of patriarchal religious structures, slavery, and warfare. He explores how later Waves and their new holograms helped humanity survive the negative effects of the 6th Wave, such as the Industrial Revolution of the 7th Wave and the Digital Revolution of the 8th Wave. In 2011,

the 9th Wave was activated, bringing with it an accelerated push for a more egalitarian world, a rising awareness of unity consciousness, and access to the full power of all Nine Waves of Creation. Calleman explains how our individual resonance with each Wave plays a role in the quality of our lives and how we must consciously work to resonate with the higher Waves. Revealing how we can become quantum activists in a holographic world by aligning with the 9th Wave, the author shows how we each can help manifest the destiny of humanity hinted at in ancient texts.

connections between seemingly disconnected events--environmental collapse, schisms in the Catholic Church, the refugee crisis, political breakdown in the United States, the shift out of the age of oil to the high-tech economy, and the Covid-19 pandemic. The characters, as well as readers, experience moving out of fear-based consciousness to the higher dimensions. The story begins in Florence, Italy, at an art soirée in honor of Armando Pierleoni's visionary painting of Jesus and Mary Magdalene. In addition to the six friends--Armando, his photographer wife Jennifer, New York Times journalist Simon,
