No is perhaps the most important and certainly the most powerful word in the language. Every day we find ourselves in situations where we need to say No—to people at work, at home, and in our communities—because No is the word we must use to protect ourselves and to stand up for everything and everyone that matters to us. But as we all know, the wrong No can also destroy what we most value by alienating and angering people. That's why saying No the right way is crucial. The secret to saying No without destroying relationships lies in the art of the Positive No, a proven technique that anyone can learn. This indispensable book gives you a simple three-step method for saying a Positive No. It will show you how to assert and defend your key interests; how to make your No firm and strong; how to resist the other side's aggression and manipulation; and how to do all this while still getting to Yes. In the end, the Positive No will help you get not just to any Yes but to the right Yes, the one that truly serves your interests. Based on William Ury's celebrated Harvard University course for managers and professionals, *The Power of a Positive No* offers concrete advice and practical examples for saying

Thinking philosophy. Dr. Peale's groundbreaking program of affirmation and positive visualization is an amazingly effective way to overcome any obstacles that may stand between you and success, happiness, and your mental, emotional, physical, and spiritual health and well-being. Positive Thinking works—and in *The Power of Positive Living*, Dr. Peale demonstrates how to use these techniques to conquer the fears and crippling adversity that may be holding you back from realizing your true potential in life. Self-confidence is the key and this book shows us how we can do it! With the "get-it-done twins," patience and perseverance, any believer can be an achiever! Dr. Peale provides inspiring success stories from his own extensive experience as a counselor—such as a department store executive who turned his store into one of the chain's most profitable by focusing on his past successes rather than his failures, and a woman who recovered her self-confidence and joy and purpose in living when she started volunteering with cancer survivors after her own breast cancer diagnosis cut short her modeling career. The wisdom, guidance, and practical advice provided in *The Power of Positive Living* will give you faith in yourself and in your power to achieve absolutely anything!
