The Responsible Company on Apple Books

The Responsible Company provides an example, in Patagonia, and a challenge for companies to take full-responsibility for their actions in relation to all of their stakeholders. Including the natural world as a stakeholder is a key assumption of the book.

Book Review of "The Responsible Company: What We've ...

Business responsibility is often known as Corporate Social Responsibility (CSR) or Corporate Responsibility (CR). The 'corporate' is rather a misnomer as CSR is applicable to any size of business, even a sole trader. We prefer the term responsible business as it is far more small business friendly, but in essence it is the same thing.

What is the definition of Responsible Business? ORB
