Principle 3 – Right care, right time, right place for carers Access to healthcare is often an area of difficulty for carers given the time commitments and pressures that they face. Carers identified provision of reliable and flexible care that is available to suit them and the person they look after as being essential to enable them to continue caring with confidence (NHS England Commitment to Carers, April 2014).

Night Time Is the Right Time is a two-disc collection of 36 gems recorded by R&B singer Nappy Brown. With one foot grounded in the blues and the other

stepping toward soul, Brown's mid- to late-'50s recordings are exciting and impressive. The first disc, with classics like "Don't Be Angry," "That Man," and "Two-Faced Woman (And a Lyin' Man)," is probably the best.

NEW YORK TIMES BESTSELLER • Filled with heartbreak and betrayal, triumph and fulfillment, *The Right Time* is an intimate, richly rewarding novel about pursuing one's passion and succeeding beyond one's wildest dreams. Abandoned by her mother at age seven, Alexandra Winslow takes solace in the mysteries she reads with her devoted father—and soon she is writing them herself, slowly graduating to dark, complex crime stories that reflect skill, imagination, and talent far beyond her years. After her father's untimely death, at fourteen Alex is taken in by the nuns of a local convent, where she finds twenty-six mothers to take the place of the one she lost, and the time and encouragement to pursue her gift. Alex writes in every spare moment, gripped by the plots and themes and characters that fill her mind. Midway through college, she has finished a novel—and manages to find a seasoned agent, then a publisher. But as she climbs the ladder of publishing success, she resolutely adheres to her father's admonition: Men read crime thrillers by men only—and so Alexandra Winslow publishes under the pseudonym Alexander Green, her true identity known only to those closest to her, creating a double life that isolates her. Her secret life as the mysterious and brilliantly successful Alexander Green—and her own life as a talented young woman—expose her to the envious, the arrogant, and Hollywood players who have no idea who she really is. Always, the right time to open up seems just out of reach, and would cost her dearly. Once her double life and fame are established, the price of the truth is always too high.

"The author shares his insider knowledge of housing options to help older adults make the best decision about their place of residence by evaluating factors such as financial budget, health, and family considerations. He provides a step-by-step approach to evaluating one's current living situation and then reviews the different options to consider, including aging in place, downsizing, community living, and more"--

"Gruen chronicles his adventures as one of the preeminent photographers of rock and roll in his spectacular memoir . . . a roller-coaster narrative" (Publishers Weekly, starred review). Bob Gruen is one of the most well-known and respected photographers in rock and roll. From John Lennon to Johnny Rotten; Muddy Waters to the Rolling Stones; Elvis to Madonna; Bob Dylan to Bob Marley; Tina Turner to Debbie Harry, he has documented the music scene for more than fifty years in photographs that have captured the world's attention. In *Right Place, Right Time*, Gruen recounts his personal journey from discovering a love of photography in his mother's darkroom when he was five, through his time in Greenwich Village for 1960s rock and 1970s punk, to being named the world's premiere rock photographer by the New York Times. With fast-paced stories and iconic images, Gruen gives the reader both a front row seat and a backstage pass to the evolution of American music culture over the last five decades. In the words of Alice Cooper, "Bob had the ultimate backstage pass. Can you imagine the stories he's got?"

Provides a guide to encouraging reading in teenagers and young adults, focusing on knowing the readers, the books, and the strategies for motivating students to read and assess their reading.

Featuring reflections on how different people found wisdom and hope in the inspirational words of loved ones, a collection of thoughtful advice includes contributions by Tom Brokaw, Jimmy Carter, Steven Spielberg, Amy Tan, and many others.

It is rare in history for people to link their identity with their generation, and even rarer when children and adolescents actually shape society and influence politics. Both phenomena aptly describe the generation born in the decade following the Second World War. These were the baby boomers, viewed by some as the spoiled, selfish generation that had it all, and by others as a shock wave that made love and peace into tangible ideals. In this book, Doug Oram brings us the untold story of this famous generation as it played out its first twenty-five years in Canadian society. Beginning with Dr Spock's dictate that this particular crop of babies must be treated gently, Oram explores the myth and history surrounding this group, from its beginning at war's end to the close of the 1960s. The baby boomers wielded extraordinary power right from birth, Oram points out, and laid their claim on history while still in diapers. He sees the generation's power and sense of self stemming from three factors: its size, its affluent circumstance, and its connection with the 1960s — the fabulous decade of free love, flower power, women's liberation, drugs, protest marches, and rock 'n' roll. From Davy Crockett hats and Barbie dolls to the civil-rights movement and the sexual revolution, the concerns of this single generation became predominant themes for all of society. Thus, Oram's history of the baby-boomers is in many ways a history of the era. Doug Oram has written extensively on cultural icons, Utopian hopes, and the gap between realities and images — all powerful themes in the story of this idealistic generation. A well-researched, lucid, and humorous book, *Born at the Right Time* is the first Canadian history of the baby-boomers and the society they helped to shape.

The Right Time by Maura McGiveny released on Jun 24, 1986 is available now for purchase.

Grasp how mobile, big data, and analytics are combining to change business processes *Right Experience, Right Results: Improving Profits, Margin, and Engagement with Mobile and Big Data* illustrates how businesses can use mobility, big data, and analytics to enhance or change business processes, improve margins through better insight, transform customer experiences, empower employees with real-time, actionable insight, and more. The book depicts how companies can create competitive differentiation using mobile, cloud computing big data, and analytics to improve commerce, customer service, and communications with employees and consumers. In the past, the technologies used to deliver personalized and contextual services were either unavailable, unaffordable, or reserved solely for the consumer market. Today, however, the next wave of computing—mobile, cloud computing, big data, and analytics—has provided the foundation for businesses to create adaptive, personalized applications and services. Delivered point-of-need, these smarter services allow enterprise products and services to meet the burgeoning demand for always-connected, accurate, and real-time information. *Right Experience, Right Results: Improving Profits, Margin, and Engagement with Mobile and Big Data* is your guide to the new way of doing things. The book includes: Real world examples that illustrate how companies across various industries are creating better business processes by integrating new technologies A three step action plan for getting started and overcoming obstacles An electronic checklist with numerous actions that help get you up and running with incorporating mobile, big data, and analytics A guide to drawing insight from mobile, social, and other sources to create richer experiences If you're a CEO, chief marketing officer, marketing director, or business manager, *Right Experience, Right Results* gives you everything you need to harness technology to breathe new life into your business.

From Yakima, Washington, to the Chicago Symphony Orchestra, Donald Peck's journey as a flutist has been extraordinary. Here, Peck offers an insider's view of the inner workings of one of the most prestigious orchestras in the country. Peck, like many artists, did not select his path voluntarily, but rather let fate lead him to a career in music. In 1957, he secured a seat with the orchestra as a flutist. Beginning in 1958, Peck garnered the title of principal which he kept until his retirement in 1999. A memoir filled with stories about life on the road, making recordings, and working with the best musicians and singers in the business, *The Right Place, The Right Time!* is a joy for anyone interested in the life of a dedicated, devoted, and talented artist.

Squirrel does not have a minute to lose. He has received a very important letter and has to get to his destination as soon as possible. However, it will not be as easy as he thinks. Along the way he will find many forest friends who will need his help. What to do in this case? This gem of a book will appeal to both young and old.
