The New York Times bestselling novel soon to be a major motion picture starring Nicole Kidman, for fans of *The Woman in the Window* and *The Silent Patient*. "I gobbled it down in one sitting." — Anne Lamott, *People* Jodi and Todd are at a bad place in their marriage. Much is at stake, including the affluent life they lead in their beautiful waterfront condo in Chicago, as she, the killer, and he, the victim, rush haplessly toward the main event. He is a committed cheater. She lives and breathes denial. He exists in dual worlds. She likes to settle scores. He decides to play for keeps. She has nothing left to lose. Told in alternating voices, *The Silent Wife* is about a marriage in the throes of dissolution, a couple headed for catastrophe, concessions that can't be made, and promises that won't be kept. Expertly plotted and reminiscent of *Gone Girl* and *These Things Hidden*, *The Silent Wife* ensnares the reader from page one and does not let go.

mind. I loved this even more than I loved *The Silent Patient* and that's saying something!" —Lucy Foley, *New York Times* bestselling author of *The Guest List* From the #1 *New York Times* bestselling author of *The Silent Patient* comes a spellbinding tale of psychological suspense, weaving together Greek mythology, murder, and obsession, that further cements Michaelides as a major player in the field (Publishers Weekly). Edward Fosca is a murderer. Of this Mariana is certain. But Fosca is untouchable. A handsome and charismatic Greek tragedy professor at Cambridge University, Fosca is adored by staff and students alike—particularly by the members of a secret society of female students known as The Maidens. Mariana Andros is a brilliant but troubled group therapist who becomes fixated on The Maidens when one member, a friend of Mariana's niece Zoe, is found murdered in Cambridge. Mariana, who was once herself a student at the university, quickly suspects that behind the idyllic beauty of the spires and turrets, and beneath the ancient traditions, lies something sinister. And she becomes convinced that, despite his alibi, Edward Fosca is guilty of the murder. But why would the professor target one of his students? And why does he keep returning to the rites of Persephone, the maiden, and her journey to the underworld? When another body is found, Mariana's obsession with proving Fosca's guilt spirals out of control, threatening to destroy her credibility as well as her closest relationships. But Mariana is determined to stop this killer, even if it costs her everything—including her own life.

hair—not human—cling to her body. They are homicide cop Jane Rizzoli’s only clues, but they’re enough for her and medical examiner Maura Isles to make the startling discovery: that this violent death had a chilling prequel. Nineteen years earlier, a horrifying murder-suicide in a Chinatown restaurant left five people dead. One woman connected to that massacre is still alive—a mysterious martial arts master who is now the target of someone, or something, deeply and relentlessly evil. Cracking a crime with bone-chilling echoes of an ancient Chinese legend, Rizzoli and Isles must outwit an unseen enemy with centuries of cunning—and a swift, avenging blade. Don’t miss Tess Gerritsen’s short story “Freaks” in the back of the eBook.

THE FIRST NOVEL IN THE NEW YORK TIMES
BESTSELLING JANE HAWK SERIES Meet Jane Hawk—a remarkable new heroine certain to become an icon of suspense. “This gripping thriller grabs readers from the first few pages and sweeps them along to the rousing finale.” “Booklist” “I very much need to be dead.” These are the chilling words left behind by a man who had everything to live for—but took his own life. In the aftermath, his widow, Jane Hawk, does what all her grief, fear, and fury demand: find the truth, no matter what. People of talent and accomplishment, people admired and happy and sound of mind, have been committing suicide in surprising numbers. When Jane seeks to learn why, she becomes the most-wanted fugitive in America. Her powerful enemies are protecting a secret so important—so terrifying—that they will exterminate anyone in their way. But all their power and viciousness may not be

enough to stop a woman as clever as they are cold-blooded, as relentless as they are ruthless—and who is driven by a righteous rage they can never comprehend. Because it is born of love. Don't miss any of Dean Koontz's gripping Jane Hawk thrillers: THE SILENT CORNER □ THE WHISPERING ROOM □ THE CROOKED STAIRCASE □ THE FORBIDDEN DOOR □ THE NIGHT WINDOW Praise for The Silent Corner □ Gripping . . . The paranoia and mystery increase as the story unfolds. . . . Koontz has created [a] wonderful character in Jane Hawk. . . . Koontz rocks it again.□□Associated Press □ In this era of stingy text-message prose, Mr. Koontz is practically Shakespeare. . . . The Silent Corner brims with both action and emotion.□□Pittsburgh Post-Gazette □ The Silent Corner is vintage Dean Koontz: paranoia-fueled suspense . . . sleek and highly realized action, developed characters, and more twists and turns than any two ordinary novels combined. . . . As relevant to current events as it is audacious . . . amongst Dean Koontz's finest contemporary work.□□Mystery Scene □ A proven specialist in action scenes, Koontz pulls off some doozies here. . . . The book is full of neat touches. . . . And the prose, as always in a Koontz novel, is first-rate. Perhaps Koontz's leanest, meanest thriller, this initial entry in a new series introduces a smart, appealing heroine who can outthink as well as outshoot the baddest of bad dudes.□□Kirkus Reviews (starred review)

Silent cinema was never truly silent as performances were more often than not accompanied by live music and the noise of enthusiastic audiences. Yet silent cinema is regarded as a specific era in the history of the medium, and often as a separate art form in its own right. New York Times-best-selling author Brian J. Robb's lively resource traces how, from the origins of cinema onwards to the coming of sound in 1929 with *The Jazz Singer*, many of the ground rules of cinema

were laid and filmmaking techniques developed, including editing and special effects, styles of acting, and filming on location. Studying the earliest origins of cinema, including the stars, comedians, and directors who became popular from the late-Victorian era to the end of the 1920s, including D. W. Griffiths, Cecil B. DeMille, and Sergi Eisenstein, this book also includes a look at the Hollywood scandals of the time. The accompanying DVD includes lengthy excerpts from films such as *The Perils of Pauline*, *Phantom of the Opera*, *Salomé*, and *Son of the Sheik*.
