Randall Frakes (Author of The Terminator) - Goodreads

Randall Frakes' adaptation of James Cameron and Will Wisher's screenplay of "Terminator 2: Judgment Day" is a descriptive, thorough compliment to one of the greatest action (and probably THE greatest action-science fiction) movies ever made. The book follows the movie you know and love, quite precisely, with a few scenes extended.

Terminator 2: Judgment Day by Randall Frakes

The author, Randall Frakes, has also written a novelisation of the first "Terminator" film (jointly written with Bill Wisher) - and that too is excellent sci-fi. Had these books been published without the films being made, they'd probably be considered contemporary classics of the genre - as they're both fantastic.

Manolo is trying to break free from his family ' s traditions and create his own destiny in this retelling of the movie The Book of Life! The Book of Life hits theaters on October 17, 2014! Manolo has a simple dream—become the best musician in San Angel and capture the heart of his friend, Maria. But Manolo ' s father wants him to carry on the family tradition to become a bullfighter, and to make matters worse, Manolo ' s best friend is in love with Maria, too! As Manolo competes to win Maria ' s love and make his own destiny, he must follow his heart and face his greatest fears as his journey takes him to strange and beautiful lands beyond his wildest imagination. Can Manolo succeed in rewriting his fate? THE BOOK OF LIFE © 2014 Twentieth Century Fox Film Corporation and Reel FX Productions II, LLC. All rights reserved.

With their headquarters destroyed and the world held hostage, members of Kingsman find new allies when they discover a spy organization in the United States known as Statesman. In an adventure that tests their strength and wits, the elite secret agents from both sides of the pond band together to battle a ruthless enemy and save the day, something that ' s becoming a bit of a habit for Eggy...

Titanic: James Cameron's Illustrated Screenplay contains the shooting script of the most popular film of all time. An invaluable reference for film students and fans, this book details the evolution of the epic romance from script to screen, including scenes and dialogue cut from the final film, as well as annotations explaining footage seen in the final cut, yet not contained in the screenplay. Never-before-seen photographs of the stars, storyboards for sequences never filmed, and an in-depth interview with Cameron make Titanic: James Cameron's Illustrated Screenplay an essential companion to the #1 bestseller James Cameron's Titanic.

A fisherman on the Florida coast, Jimmy Bell lives a simple life, until a mysterious phone call offers him the opportunity of a lifetime and a chance with Estella, a beautiful society debutante, but a shocking truth threatens to shatter his new world. Original. Movie tie-in.

#Obsession: freeing yourself from social media disorder by Seyedeh Tina Sadri, M.A. L.M.F.T. and Randall Frakes There is a real epidemic of social media addiction in this country and abroad - wherever anyone has access to the Internet. When a British youth tries to kill himself because he cannot take the perfect " selfie, " we know humankind has crossed a line into dangerous and toxic territory. Beneath the surface topic of social media disorder, this book is really about self-esteem related disorders that lead to over-reliance on outside validation. Because it is new and pervasive, especially to a young generation raised under its influence and never knowing anything different, social media is the main culprit for behavior disorders plaguing otherwise balanced individuals. This book explores the outer extremes of the disorder and then furnishes several important, yet simple, processes by which to restore psychological balance. Social Media is a positive tool in our lives when used properly. This book serves as a guide on how to interact with social media in a healthy way. People are becoming more and more obsessed with communicating an idealized version of themselves to strangers and creating an electronic ghost personality that exists only because certain facts are edited out. This is one of the first and most enlightening books on this growing epidemic of social media addiction. It is a fascinating exploration of social media, but also a way to see yourself in the many amazing case histories - and decide if you are a victim of this modern malady. #Obsession will appeal to anyone who uses social media, which is nearly everyone on the planet, even people in third world countries.

James Camerondirector of such films as The Terminator, Aliens, Titanic, and Avataris lauded as one of the most successful and innovative filmmakers of the last 30years. James Cameron: Interviews chronicles the writer-director's rise through Hollywood, highlighted by his "can-do" attitude and his insatiable drive to make the best film possible.

The official novelization of the highly anticipated sequel to 2018 ' s Halloween, starring Jamie Lee Curtis. Minutes after Laurie Strode, her daughter Karen, and granddaughter Allyson left masked monster Michael Myers caged and burning in Laurie ' s basement, Laurie is rushed to the hospital with life-threatening injuries, believing she finally killed her lifelong tormentor. But when Michael manages to free himself from Laurie ' s trap, his ritual bloodbath resumes. As Laurie fights her pain and prepares to defend herself against him, she inspires all of Haddonfield to rise up against their unstoppable monster. But as a group of other survivors of Michael ' s first rampage decide to take matters into their own hands, a vigilante mob forms that sets out to hunt Michael down. Evil dies tonight.

From The Ashes, written by Hugo Award-winning author Timothy Zahn, sets the scene for the events chronicled in the movie Terminator Salvation, revealing the full story behind John Connor, the man fated to lead the human resistance against Skynet and its army of Terminators. In post-Judgment Day LA, two lost kids named Kyle and Star keep watch for Terminators; a jaded Marine struggles to keep his rag-tag community together in the face of unrelenting danger; and John and Kate Connor assemble their Resistance team for a brutal assault on a deadly enemy.

Set in a futuristic urban metropolis, this sci-fi action-adventure tells the story of a sub-culture of humans who have been modified genetically by a vampire-like disease, giving them enhanced speed, strength and intelligence.
