and why. The book 's also rich in practical examples drawn from real life, anecdotes, humour, and visual aids. But the advice isn 't just practical and anecdotal: it 's also rigorously supported by scientific evidence from notable linguists and psychologists such as Steven Pinker, Daniel Goleman and Yellowlees Douglas. And anyone keen to explore further will benefit from the bibliography and links to videos and other online resources. The book is ideal not just for professional business writers, such as editors, technical writers, copywriters and creative directors; it 's also suitable for anyone whose job requires them to write, whether it 's something as simple as an email or as complex as a set of policies or a handbook.
