Whether you're a trembling novice or a jaded expert, there's always something new to be discovered in the endlessly changing, complex and titillating world of kink. While there are plenty of other books out there that explain how to give a spanking or tie a half-hitch, *Playing Well With Others* is the first book that explains kink *culture* -- the munches, parties, leather bars, conferences, workshops, fetish nights, exploratoriums and all the other gatherings of kinksters that turn BDSM and leather from a bedroom predilection to a lifestyle and a community. You'll learn to:

- Examine your own motivations, needs, wants and desires
- Ease your way into established communities
- Understand etiquette in different adventurous sex communities
- Familiarize yourself with the many types of events available to you
- Care for your relationships as you explore new territory
- Negotiate for play and aftercare
- Go back to the "world at large" without ruffling feathers
- ...and, of course, answer the all-important question: What do you wear?!

As Kinky as You Wanna Be is not an instruction book. It won't teach you how to tie up your squirming lover or choose the proper lube. Rather, it teaches you how to be a kinky person who has safe, sane, and smart experiences. Like a tourist's guide to BDSM, *As Kinky as You Wanna Be* offers a road map to your own kinky self. This book helps you discover which

kinky countries you want to visit, gives you tips and techniques on the language of BDSM, and helps you navigate the customs and rituals of the kink community. With sections on discovering your pleasures; talking about kink with your partner, your family, or your doctor; staying physically and mentally safe; putting your kinky dreams into practice; and dealing with difficult situations, *As Kinky as You Wanna Be* is your guide and confidant. The book features informative interviews with BDSM experts such as Jay Wiseman and Lee Harrington, and it is sprinkled with stories from top erotica authors like Janine Ashbless and Rachel Kramer Bussel. Whether your first kinky experience or thousandth, *As Kinky as You Wanna Be* guides you — safely and smartly.

Sex means different things to different people – it's as varied as the different species on the planet. So, seduction and foreplay are not only about getting what you want, but about giving and receiving, teasing and pleasing for the best possible rewards, no matter how you define them. (And, yes, foreplay IS sex!) *The Ultimate Guide to Seduction & Foreplay* teaches readers how to tune into their own desires, become better communicators, and ultimately be more confident, passionate, and attentive lovers. Inspired by fantasies of seduction, Marla and Jess take you on a journey of sexual exploration and help you understand the many factors that add to or inhibit arousal and pleasure on psychological, sociological, and sexological levels. Readers gain a deeper understanding of their own sexual needs and the foundations for greater compatibility and connection. As you explore your own learning and seduction styles (and your lover's), you'll discover and experiment with new and exciting ways to stimulate arousal and deepen intimacy: verbal, emotional, and digital seduction, foreplay, eroticizing daily actions, games, fantasy play, mindfulness, and more. Packed with practical exercises, techniques, and creative ideas — especially for busy couples — this inclusive guide is a surefire way for folks of all genders to master the art of seduction. You don't have to be a rockstar in (or out of) the sack each time you have sex, but this book will help you approach your lovers with the confidence and comfort you deserve! Whether you are adding to your repertoire for later or striving to please your current lover, you'll discover thrilling new pathways to pleasure and intimacy.
