The Watchtower teaches that the wild beast received a mortal head wound and recovered during the First World War. And the wild beast that “is not” is supposedly the League of Nations. The period when it did not exist was during the Second World War. But lo and behold! The beast emerged from the abyss in 1945 in the form of the United Nations!

*What is the wild beast in Revelation that was, but is not ...*

The Beast may refer to one of two beasts described in the Book of Revelation. The first beast comes "out of the sea" and is given authority and power by the dragon. This first beast is initially mentioned in Revelation 11:7 as coming out of the abyss. His appearance is described in detail in Revelation 13:1-10, and some of the mystery behind his appearance is revealed in Revelation 17:7-18. The second beast comes "out of the earth" and directs all peoples of the earth to worship the first beast.

describes the creation of one of Africa's most unusual animals, the wildebeest. According to oral tradition, the Creator built this unique beast out of leftover parts from other magnificent animals found on the continent. Horns from buffalos and stripes meant for zebras. Tails from giraffes and bumps meant for camels. This creative retelling will introduce little ones to a story rich in both imagery and in lesson: Take what you need to live. Take no more. Waste nothing.

witnesses the murder of her brother by Dr. Dowdrick, an enraged client at the tailor's where they work. Desperate to stop him, she rouses a swarm of wasps that sting the doctor while she stabs him with scissors, and then flees. At a subsequent job when birds race to her defense, Evalina is declared a witch and sent to Philadelphia's Eastern State Penitentiary. While imprisoned, Evalina is horrified not only to learn that Dr. Dowdrick is still alive, but he's experimenting on inmates. Determined to get inside his Eclectic Medical School, to expose his nefarious activities, she's passionate about protecting fellow prisoners, especially Lewin, a child thief who knew her brother, and Birdy, a kind, resilient Welsh man serving time for a worker's death while blasting granite for the railroad. Evalina, her friends and her "wild beasts" work against time to unmask Dowdrick's crimes when she participates with him in a symposium, showcasing Philadelphia's premium doctors. If they fail, not only will the doctor's evil deeds continue unchecked but Evalina and her crew will surely be hung. Actual historical figures such as Dr. Thomas Mutter and Charles Dickens spice up this fantastical thriller brimming with historical gems set in Philadelphia's renowned penitentiary. Won a second place spot in The 2019 Valley Forge RWA Sheila contest.

A wonderfully witty and utterly charming story about fear. Jack is lost in the forest—a forest that his mom has told him is full of ferocious wild beasts! But the creatures that Jack meets there seem perfectly friendly to him, even if they are a bit worried about the ferocious wild beasts he's been telling them about . . . But then they hear a terrible roar . . . Who can it be? Award-winning author-illustrator Chris Wormell's charming illustrations and delightfully clever text combine to make for perfect bedtime reading.
