**Amazon.com: Customer reviews: The Yogi Book**

Adapted from an answer on Quora by Nabha Cosley • January 9, 2016. A book about masters of yoga and saints, written by someone who was himself a master of yoga and a saint. This is an unusual and unique book. Autobiography of a Yogi talks about miracles, the yogic teachings, and the teachings of Jesus Christ in a modern way — a way that is easy to understand and even entertaining.

Schanfield's new book, *The Tigress and the Yogi*, is exquisite. Drawn from fantasy, ancient mythology, and religion, it is a fresh and imaginative tale of one woman's terrifying search for justice and enlightenment. Schanfield's evocative writing provides clarity and richness without ever losing its delicious sense of mystery and magic.

Aimee has chosen The Vanishing Half by Brit Bennett as our July pick. This book is a novel about identical twin sisters who leave home at the age of 16 and go their separate ways. One living as a black woman who comes back to her childhood home, and the other as a white woman leaving her past behind.

Presents a legendary collection of Yogi Berra's "Yogi-isms," spanning his baseball career, life as a manager, and family man.

The autobiography of Paramahansa Yogananda (1893 - 1952) details his search for a guru, during which he encountered many spiritual leaders and world-renowned scientists. When it was published in 1946 it was the first introduction of many westerners to yoga and meditation. The famous opera singer Amelia Galli-Curci said about the book: "Amazing, true stories of saints and masters of India, blended with priceless superphysical information-much needed to balance the Western material efficiency with Eastern spiritual efficiency-come from the vigorous pen of Paramhansa Yogananda, whose teachings my husband and myself have had the pleasure of studying for twenty years."

Discover the definitive biography of Yogi Berra, the New York Yankees icon, winner of 10 World Series championships, and the most-quoted player in baseball history. Lawrence "Yogi" Berra was never supposed to become a major league ballplayer. That's what his immigrant father told him. That's what Branch Rickey told him, too—right to Berra's face, in fact. Even the lowly St. Louis Browns of his youth said he'd never make it in the big leagues. Yet baseball was his lifeblood. It was the only thing he ever cared about. Heck, it was the only thing he ever thought about. Berra couldn't allow a constant stream of ridicule about his appearance, taunts about his speech, and scorn about his perceived lack of intelligence to keep him from becoming one of the best to ever play the game—at a position requiring the very skills he was told he did not have. Drawing on more than one hundred interviews and four years of reporting, Jon Pessah delivers a transformational portrait of how Berra handled his hard-earned success—on and off the playing field—as well as his failures; how the man who insisted "I really didn't say everything I said!" nonetheless shaped decades of America's culture; and how Berra's humility and grace redefined what it truly means to be a star. Overshadowed on the field by Joe DiMaggio early in his career and later by a youthful Mickey Mantle, Berra emerges as not only the best loved Yankee but one of the most appealingly simple, innately complex, and universally admired men in all of America.

DIARY OF A YOGI – A BOOK OF AWAKENING Based on the life of Altair Shyam A mystical tale of revelations and transformation. A book of beauty and presence that transforms the way you love and opens your heart to the miracles of this precious lifetime through the power of pure intention. “This is it. Diary of a Yogi – a True Story is more than a book. It is a journey you take that will profoundly impact your life. This is your chance to go into the forest and emerge transformed.” Jane Tara

The life story of spiritualist Yogananda from his childhood in India to the thirty years he lived and taught in America.

"Allen Barra brings a legendary figure from the true golden age of baseball to life."—Bob Costas Yogi Berra is one of the most popular former athletes in American history, and the most quoted American since Abraham Lincoln. Part clown, part feisty competitor, Berra is also the winningest player (fourteen pennants, ten World Series, 3 MVPs) in baseball history. In this revelatory biography, Allen Barra presents Yogi's remarkable life as never seen before with nearly one hundred photos and countless "Yogi-isms," and offers hilarious insights into many of baseball's greatest moments. From calling Don Larsen's perfect game, to managing the 1973 "You Gotta Believe" New York Mets, Yogi's life and career are a virtual cutaway view of our national pastime in the twentieth century.

The title's introductory chapter describes the true province of religion and the full significance of the word "spirituality" as it is understood in India. Next follows a comprehensive definition of the term "Yoga," with short chapters on each of the five paths to which it is applied, and their respective practices. An exhaustive exposition of the Science of Breathing and its bearing on the highest spiritual development shows the fundamental physiological principles on which the whole training of Yoga is based; while a concluding chapter, under the title "Was Christ a Yogi?" makes plain the direct relation existing between the lofty teachings of Vedanta and the religious faiths of the West.

The book describes the thoughts & things going inside the mind of the Yogi who is sitting & meditating at one place & what he feels every time he opens one of the Chakras in his body & slowly proceeding towards opening all the 7 Chakras.

As a young man Paramahansa Yogananda embarked on a quest to find his spiritual master, which he did in the form of Swami Sri Yuktেশwar - together they achieved 'a oneness of silence, words seemed the rankest superfluities'. A mixture of biography and scholarly reflections on the deepest mysteries of life, this is the classic text which introduced millions in the West to the teachings of meditation and kriya yoga.

This deeply personal biographical tribute by Krishnamacharya's grandson includes photographs, archival materials, and family recollections that have never been published elsewhere, as well as unique insights into the "master of masters" by some of his most famous students-Indra Devi, Sri K. Pattabhi Jois, B.K.S. Iyengar, and T.K.V. Desikachar. First published in 2005 by the Krishnamacharya Yoga Mandiram, The Yoga of the Yogi is at last available in ebook format.
