Traditional Theater

How has technology changed
theatre? Here are four ways
technology has changed the
onstage performance landscape:

Online Library Theatre Performance And

1) Technology and Music. Without a doubt, a musical theatre performer must be aware of the altered responsibilities musicians have with the inclusion of digital tech. The most noteworthy change is the use of tracked or pre-recorded music in live

Online Library Theatre Performance And

performance settings, a concept that is vehemently debated, and usually abhorred by musicians.

Technology Opens the Door for
Better Sounds Faster. In many
ways, the internet has lowered
barriers for sound designers to

Online Library Theatre Performance And

find the exact music and noises they need to move a production. In an interview with Music Theatre Today, Kai Harada explains exactly how technology has changed sound design in the past 10 years. In the old days, if a director wanted a new sound

Online Library Theatre Performance And

effect it would take a whole day
— Harada had to call studio
libraries and wait for them to mail
a few CDs to review.

Scenography Theatre And How Technology is Changing Theater Design | Ozobot

They can't use traditional theatre

Online Library Theatre Performance And

technology (like using fabric to show waves). The actors can say their lines, but they can't use action to create their visuals – it has to be shown through technology. The aim of the exercise is to go to the extreme on both sides of the coin: all

Online Library Theatre Performance And

technology or no technology.

Students may get frustrated by what they can or cannot do and that's part of the exercise.
