Thong on Fire: An Urban Erotic Tale - Noire - Google Books

Thong on fire was by far her best book which is hard to believe because the other ones were so good. I had a soft spot for saucy considering how she was brought up. You couldn't tell her that she wasn't the finest chick that every man or woman wanted.

Thong on Fire: NOIRE: 9780739480779: Amazon.com: Books

In THONG ON FIRE, Noire traces the hard-knock life of the incredibly sexy Saucy Sarita Robinson, the bi-racial, sexually abused child of an African-American junkie and a Korean prostitute. Selfish and egomaniacal, she devises schemes that enable her to trade sexual favors in return for gifts, money, power and prestige.

Thong on Fire by Noire (ebook)

What would have made Thong on Fire better? The narrator was horrible! She was so dry I couldn't even enjoy the book. If you 've listened to books by Noire before, how does this one compare? The style of the book was the usual. I love all the Noire books. Saucy was a mess. I loved it drama to the fullest.

Thong on Fire: An Urban Erotic Tale: Amazon.com: Books

Using her beauty in order to overcome the challenges of an abusive childhood and financial disadvantages, egomaniacal Sarita Robinson interacts with some of the hip-hop underworld's most powerful players and turns dangerously vengeful when she is abandoned by her supporters. Original. 75,000 first printing.

When Mink LaRue is called away to be with her dying mother, interrupting her con on the rich Dominion family, Dy-Nasty Jenkins, who looks exactly like Mink, tries to take up the mantle and steal the money for herself.

" Have you ever wanted something so bad you was willing to crawl over bodies to get it? I mean, fiend for it so hard it didn ' t matter who you hurt, how low you had to scrape, it was gonna be yours? That ' s what music and balling did for me. They were the fundamentals behind my rise . . . and the perpetrators of my fall. They called me Harlem ' s black prince—a rising star who carried street dreams on his back. But the streets, ya know. They got a way of coming for theirs. A method of sneaking up on you when you ain ' t looking . . ." Andre " Thug-A-Licious " Williams came up on Harlem ' s meanest streets. But thanks to his nearly ankle-breaking hoop moves and explosive mic skills, he makes it out—and dominates the rap scene with chart-topping urban hits. Thug has sexed all the hottest freaks and has a slew of baby mamas to show for it. But no matter how many women he takes to his bed, only one can claim his heart: successful beauty salon owner Carmiesha " Lil Muddah " Vernoy, his ride-or-die queen who has stuck by his side and guarded his back through thick and thin. But Thug also has a nightmarish history with someone else. Pimp Williams, his older cousin and ex—partner in crime, is a cold-blooded killer who spreads havoc all over Harlem and will stop at nothing to get what he wants—even if it means betraying his own family, crushing Carmiesha, and forcing Harlem ' s black prince down to his knees and back to his bloody beginnings. " Urban erotica has never been hotter! " —Nikki Turner, author of Riding Dirty on I-95

From a fresh new voice with talent to burn comes this brash bitter sweet novel about Tracy Ellison, a young girl with knockout looks, slanted hazel eyes, tall hair, and attitude, as she comes of age during the hip-hop era. Motivated by the material life, Tracy, her friends, and the young men who will do anything to get next to them are plunged into a world of violence, gratuitous sex, and heartbreak. Slowly, Tracy begins to examine her life, her goals, and her sexuality—as she evolves from a Flyy Girl into a woman. A captivating tale, written with fluid narrative and contemporary dialect, Flyy Girl captures the complete feel and sounds of the streets and is destined to become an urban classic.

She wanted to be a hip-hop star but the streets got in the way. Have you ever laid down with a man and wasn ' t sure if you ' d ever get back up? Tossed the sheets with a bone-knocking fear that only a hard-core hustler could produce? Sexed him like your life depended on it, because in reality it did? You still with me? Then let ' s roll over to my house. Harlem. 145th Street. Grab a seat and brace yourself as I show you the kind of pain that street life and so-called success can bring. . . . Nineteen-year-old Candy Raye Montana, an ex—drug runner for the Gabriano crime family and a former foster child, dreams of becoming a hip-hop superstar, if only someone will discover her talents. Someone does. Mega music producer and king thug of Harlem, Junius " Hurricane " Jackson, CEO of the House of Homicide recording studio, cuts a deal and puts Candy on the stage. Suddenly she is a hot new artist on the notorious Homicide Hitz record label. Her career takes off and she blazes the charts, but it ' s not long before Candy realizes that the man she thought was her knight is nothing more than a cold-blooded nightmare. Caught between the music and the madness, between the dollars and the deals, Candy belongs to Hurricane—body and soul—and must endure his sadistic bedroom desires while keeping his sexual secrets hidden from the world. But Candy has some strong desires of her own that simply cannot be denied, especially when she finds herself turned on by a brilliant investment baller who just happens to be Hurricane ' s right-hand man. Candy longs for her freedom, but if Hurricane gets wind of her betrayal the blowback will be lethal—and not only will she risk losing her recording contract, she just might lose her life.

Sara Kendall and Kieran Foy become trapped in the midst of the eternal battle between good and evil, in a tale of magic and romance that moves from ancient Wales to modern Canada

*Handbook of Religion and the Asian City highlights the creative and innovative role of urban aspirations in Asian world cities. It points out that urban politics and governance are often about religious boundaries and processions—in short, that public religion is politics. The essays show how projects of secularism come up against projects and ambitions of a religious nature, a particular form of contestation that takes the city as its public arena. Asian cities are sites of speculation, not only for those who invest in real estate but also for those who look for housing, for employment, and for salvation. In its potential and actual mobility, the sacred creates social space in which they all can meet. Handbook of Religion and the Asian City makes the comparative case that one cannot study the historical patterns of urbanization in Asia without paying attention to the role of religion in urban aspirations"—Provided by publisher.

Harlem hasn't been the same since the notorious Granite 'G' McKay was brutally murdered in a back room of the G-Spot Social Club. In the aftermath, not only has G's massive cache of doe gone missing, but Juicy has skipped town with Gino...G's very own son!...Can Juicy and Gino find happiness as they try to build a new life together? Or will mayhem, murder, and the bitter wrath of the streets track them down to get what's due?-Page [6].

A wanderlust-inspiring and transporting collection of photos from some of the world's most astounding places, organized thematically—vistas, sunrises and sunsets, city streets and urban life, tropical jungles, dramatic architectural facades, food stalls and restaurants, and more—from the premier online curator of travel photography. As much an armchair travel companion as a guide to planning your next trip, My Tiny Atlas contains more than 200 lush, surprising, and stunning photos, along with stories about far-flung locales and tips for experiencing a new location like a local. From Tiny Atlas Quarterly—one of the most trusted sources for authentic, unusual, and inspiring travel photography—this book takes you to every continent and all corners of the world, from Paris, San Francisco, London, and Buenos Aires to the Arctic Circle, Tanzania, Tahiti, and Mongolia. My Tiny Atlas visually explores new destinations with an intimate, insider's view—not of the usual monuments and tourist attractions, but of the real people, mouth-watering food, verdant flora, bustling streets, wild animals, epic views, lazy rivers, architectural gems, and other details that make you feel what it's like to truly be in another place, whether or not you ever leave home.

Handbook of Probabilistic Models carefully examines the application of advanced probabilistic models in conventional engineering fields. In this comprehensive handbook, practitioners, researchers and scientists will find detailed explanations of technical concepts, applications of the proposed methods, and the respective scientific approaches needed to solve the problem. This book provides an interdisciplinary approach that creates advanced probabilistic models for engineering fields, ranging from conventional fields of mechanical engineering and civil engineering, to electronics, electrical, earth sciences, climate, agriculture, water resource, mathematical sciences and computer sciences. Specific topics covered include minimax probability machine regression, stochastic finite element method, relevance vector machine, logistic regression, Monte Carlo simulations, random matrix, Gaussian process regression, Kalman filter, stochastic optimization, maximum likelihood, Bayesian inference, Bayesian update, kriging, copula-statistical models, and more. Explains the application of advanced probabilistic models encompassing multidisciplinary research Applies probabilistic modeling to emerging areas in engineering Provides an interdisciplinary approach to probabilistic models and their applications, thus solving a wide range of practical problems
