Alice Syman has been involved in driver and traffic safety more than 30 years. She taught driving in her own school, taught the National Safety Council's Defensive Driving Course and has worked as a Driver Examiner. Working with all types of drivers taught her to pin-point, with amazing accuracy, what they fear most about a drivers test. Her books drive away those fears by answering the questions that cause them. Book jacket.

Best-selling author Leland Gregory—who has so entertainingly highlighted humanity's stupidity in the areas of crime, business, love, politics, cruelty, and history—is back with Stupid California. This time, Gregory builds a case for the common suspicion that Californians, from movie moguls to beach bums, have a special affinity for idiocy. Culled from print, online, and broadcast sources, Stupid California is a hilarious collection of true stories, trivia, and factoids about the Golden State, such as: \* "California's state animal is the California grizzly bear, which is also on the state flag. The bear was honored in 1953, a full 31 years after the last known bear in the state was killed." \* "During the 1980s, in a bold stroke against terrorism, the Chico City Council banned nuclear weapons, enacting a mandatory \$500 fine for anyone detonating a nuclear weapon within city limits." Silly, shocking, weird, and amusing, Stupid California is ideal for both kinds of people—those who love California and those who hate it.

What happens when you get a ticket? You might blame everybody else, saying that the city?s broke and the state?s broke and you have no idea how you have been a part of the problem.The lines in court are long, so what do you do? License, Registration and Proof of Insurance, Please! ?is a timely book aimed at the driver who ?got caught.? The book?s information comes straight from other drivers, as you learn what they had to go through in this day and age. Timothy Karo?s knowledge and experience is invaluable. He is able to show drivers what they need to know, while at the same time pointing out the driving skills they seem to take for granted. He also shows how punitive the system is in the event drivers are cited, even though they have no idea what they did wrong. Could it be their habits are part of the problem? The author states, ??m in the business of helping people.?

The California Driver handbook offers a comprehensive overview of the rules of the road and includes the following topics: how to acquire a new license or renew an existing license, a summary of standard road signs, safe driving tips, and how to properly share the road with other vehicles, mass transit, pedestrians, and cyclists.

Stupid on the Road: Idiots on Planes, Trains, Buses, and Cars, the compilation of human stupidity from New York Times best-selling author Leland Gregory, is a riotous collection of the unbelievably bizarre events and behavior that result when people strap themselves in behind the wheel. This time, Leland—who so entertainingly highlighted humanity's stupidity in the areas of crime, business, love, politics, cruelty, and history—turns his attention to idiots on the road and in the air. For instance, here are actual statements given by insurance policyholders describing their automobile accidents: "A pedestrian hit me and went under my car." "The guy was all over the place. I had to swerve a number of times before I hit him." These true stories, from the strange to the outrageous to the just-plain dumb, will have you shaking your head at the wacky misadventures that have occurred as people attempt to get from point A to point B.

Intended to help produce safe, competent California school bus drivers, this document contains instructor's materials for a bus driver education course with eight sequential skill levels, including a final appraisal. The first section contains the curriculum's purpose and objectives, the California standards for a state-certified bus driver instructor, the California standards for a delegated behind-the-wheel trainer, and general guidelines for selection of training sites. In addition, information is provided on vehicle inspection training, brake system inspection training, and undercarriage training. Copies of a driver's inspection report and a driver's performance review also appear. Each of the next eight sections contain materials for one of the following skill levels: (1) basic vehicle familiarization; (2) precision training in vehicle movement and driving fundamentals; (3) transmission control and shifting procedures; (4) general defensive driving techniques; (5) specialized defensive driving techniques; (6) passenger loading and unloading procedures; (7) emergency procedures; and (8) final appraisal. The first seven sections each contain a table of contents, purpose and objectives, a note to the instructor, a glossary of terms, an outline of content to be taught, and a sheet on which the instructor can record the trainee's demonstrated competence at each task covered. The final appraisal section includes the purpose and objectives of the appraisal, advice to instructors on being tough but fair, final appraisal procedures, and a form on which to document the final appraisal.
