The American Society of Missiology Series, in -  
The ambiguity lies in that mission is both something, which transforms and effective mission is itself something that is constantly transforming. Bosch ' s argument throughout the three major sections of the book (New Testament Models of Mission; Historical Paradigms of Mission; and Toward a Relevant Missiology) is that there is no one meta-paradigm for missions, it is a constantly transforming paradigm.

Transforming Mission: Paradigm Shifts in Mission Theology -  
Transforming mission : paradigm shifts in the theology of mission. David Jacobus Bosch, David Bosch's Transforming Mission, now available in over a dozen languages, is widely recognized as an historic and magisterial contribution to the study of mission. Examining the entire sweep of Christian tradition, he shows how five paradigms have historically encapsulated the Christian understanding of mission and then outlines the characteristics of an emerging postmodern paradigm dialectically linking ...
