Everyone's in love with vampires, and if his name happens to be Edward Cullen, then readers of the wildly popular Twilight series by Stephenie Meyer can't help but be crazy about him. For all those who adore Bella Swan, Edward, and the rest of the Cullen family and can't get enough, this companion guide is a must-read and a terrific gift. The series follows an unlikely couple: Bella, a teenager, and her boyfriend Edward, a vampire that has sworn off human blood. But their love is ill-fated--being a vampire, Edward must keep his passion in check, lest he is driven to suck Bella's blood. With legends, lore,

and myths about everything from vampires to werewolves to immortality, a bio of the author, and a ton of insight into the four-book series, this companion guide will give millions of readers the information that they've been waiting for since book one.

Newly turned vampire Bree Tanner lives in terror -- and must find her way out of untold danger -- in this pulse-pounding novella, a companion to Eclipse. Bree Tanner, a self-described "vampire nerd" first introduced in Eclipse, lives in terror in a coven of newborn vampires. She is a member of Victoria's vampire army, and as that army closes in on Bella Swan and the Cullens, she finds her first friend and discovers a truth about daylight. While fans may know how it ends, they don't yet have the full story: Bree's tale of danger, mystery, and romance is one for the books. It's here! #1 bestselling author Stephenie Meyer makes a triumphant return to the world of Twilight with the highly anticipated companion, *Midnight Sun*: the iconic love story of Bella and Edward told from the vampire's point of view. "People do not want to just read Meyer's books; they want to climb inside them and live there." -- Time "A literary phenomenon." -- The New York Times

In the explosive finale to the epic romantic saga, Bella has one

final choice to make. Should she stay mortal and strengthen her connection to the werewolves, or leave it all behind to become a vampire? When you loved the one who was killing you, it left you no options. How could you run, how could you fight, when doing so would hurt that beloved one? If your life was all you had to give, how could you not give it? If it was someone you truly loved? To be irrevocably in love with a vampire is both fantasy and nightmare woven into a dangerously heightened reality for Bella Swan. Pulled in one direction by her intense passion for Edward Cullen, and in another by her profound connection to werewolf Jacob Black, a tumultuous year of temptation, loss, and strife have led her to the ultimate turning point. Her imminent choice to either join the dark but seductive world of immortals or to pursue a fully human life has become the thread from which the fates of two tribes hangs. This astonishing, breathlessly anticipated conclusion to the Twilight Saga illuminates the secrets and mysteries of this spellbinding romantic epic.
