I am giving this book 3 stars because it really is a great format. All of Woolf's writings are in chronological order and seemingly complete. This being my first real delve into her works I found this very helpful. However, I must say honestly that I found Virginia Woolf's writing very melancholy and sedate.

In A Society by Virginia Woolf we have the theme of oppression, dominance, control, determination, equality and change. Taken from her The Complete Shorter Fiction collection the story is narrated in the first person by a woman called Cassandra and from the beginning of the story the reader realises that Woolf may be exploring the theme of control or dominance, particularly male dominance.
