A grueling description of a little-known aspect of WWII, Warriors describes a group of British Army soldiers charged with preventing bloodshed between feuding tribes at a remote outstation in Somalia. Hanley turns this period of his life, a difficult time that drove seven officers to suicide, into a devastating critique of imperialism.

Warriors: Life and Death Among the Somalis. This superb portrait of one of the world's most desolate, sun-scorched lands, inhabited by fiercely independent tribesmen, is Rageh Omer's favorite book on his native land.

**Warriors: Life and Death Among the Somalis by Gerald Hanley**

The author, stationed among Somali tribal warriors, in the Somalia desert scrubland, gains new insights about the definition of who are really the "savages" the Somali tribal warriors who occasionally fight over scarce water and grazing resources with casualties of a few at a time or the Western powers slaughtering people by the hundreds of thousands during that World War II period.

**Warriors: Life and Death Among the Somalis**

Somalia is one of the world's most desolate, sun-scorched lands, inhabited by fierce and independent-minded tribesmen. It was here that Gerald Hanley spent the Second World War, charged with preventing bloodshed between feuding tribes at a remote out-station. Rations were scarce, pay infrequent and his detachment of native soldiers near-mutinous. In these extreme conditions seven British officers committed suicide, but Hanley describes the period as the 'most valuable time' of his life. With intense curiosity and open-mindedness, he explores the effects of loneliness. He comes to understand the Somalis' love of fighting and to admire their contempt for death. 'Of all the races of Africa,' he says, 'there cannot be one better to live among than the most difficult, the proudest, the bravest, the vainest, the most merciless, the friendliest: the Somalis.'

A superb portrait of one of the world's most desolate lands, Inhabited by fiercely independent tribesmen. Describing a little known aspect of WWII, A group of British Army soldiers try to prevent bloodshed between feuding Somalian tribes.

When Pancho arrives at St. Anthony's Home, he knows his time there will be short. If his plans succeed, he'll soon be arrested for the murder of his sister's killer. But then he's assigned to help DQ, whose brain cancer has slowed neither his spirit nor his mouth. DQ tells Pancho all about his "Death Warrior's Manifesto", which will help him to live out his last days fully - ideally, he says, with the love of the beautiful Marisol. As Pancho tracks down his sister's murderer, he finds himself falling under the influence of DQ and Marisol, and beginning to understand that there's more to life than revenge and more to death than sadness. "I love Francisco's books. They make you bigger inside after reading them" Maggie Stiefvater

WAY OF THE PEACEFUL WARRIOR has become one of the most beloved spiritual sagas of our time. Shared among friends and families, this million-copy word-of-mouth bestseller has inspired men and women of all ages in twenty languages worldwide. Despite his success, college student and world-champion athlete Dan Millman is haunted by a feeling that something is missing from his life. Awakened one night by dark dreams, he wanders into an all-night gas station, meets an old man named Socrates, and his world is changed forever. Guided by this eccentric old warrior, drawn to an elusive young woman named Joy, Dan begins a spiritual odyssey into realms of light and shadow, romance and mystery, toward a final confrontation that will deliver or destroy him. This classic tale, told with heart and humor, speaks to the peaceful warrior in each of us. Countless readers have been moved to laughter and tears - even moments of illumination - as they rediscover life's larger meaning and purpose. Journey with Dan on the peaceful warrior's path to unreasonable happiness. Find out for yourself why this book changes lives.

"A fresh and provocative biography of La Pucelle . . . her transformation from a naïve girl to a strong-willed, bold, and gifted captain of war."—Frederic J. Baumgartner, author of France in the Sixteenth Century France's great heroine and England's great scourge: whether a lunatic, a witch, a religious icon, or a skilled soldier and leader, Joan of Arc's contemporaries found her as extraordinary and fascinating as the legends that abound about her today. But her life has been so endlessly cast and recast that we have lost sight of the remarkable girl at the heart of it—a teenaged peasant girl who, after claiming to hear voices, convinced the French king to let her lead a disheartened army into battle. In the process she changed the course of European history. In The Virgin Warrior, Larissa Juliet Taylor paints a vivid portrait of Joan as a self-confident, charismatic and supremely determined figure, whose sheer force of will electrified those around her and struck terror into the hearts of the English soldiers and leaders. The drama of Joan's life is set against a world where visions and witchcraft were real, where saints could appear to peasants, battles and sieges decided the fate of kingdoms and rigged trials could result in burning at the stake. Yet in her short life, Joan emboldened the French soldiers and villagers with her strength and resolve. A difficult, inflexible leader, she defied her accusers and enemies to the end. From her early years to the myths and fantasies that have swelled since her death, Taylor "goes deep into Joan of Arc's heart and soul and shows us the maiden, the warrior and the heroine" (Kate Williams, New York Times bestselling author).

From the New York Times bestselling author of The Witcher: Reynevan—scoundrel, magician, possibly a fool—travels into the depths of war as he attempts to navigate the religious fervors of the fifteenth century. When the Hussite leaders entrust Reynevan with a dangerous secret mission, he is forced to come out of hiding in Bohmeia and depart for Silesia. At the same time, he strives to avenge the death of his brother and discover the whereabouts of his beloved. Once again pursued by multiple enemies, he must contend with danger on every front. Full of gripping action replete with twists and mysteries, seasoned with magic and Sapkowski's ever-present wit, fans of the Witcher will appreciate this rich historical epic set during the Hussite Wars. Praise for the The Tower of Fools, book one of the Hussite Trilogy: "This is historical fantasy done right." —Publishers Weekly (starred review) "A fantastic novel that any fan of The Witcher will instantly appreciate." —The Gamer "A ripping yarn delivered with world-weary wit, bursting at the seams with sex, death, magic and madness." —Joe Abercrombie "Sapkowski's energetic and satirical prose as well as the unconventional setting makes this a highly enjoyable historical fantasy." —Booklist Also by Andrzej Sapkowski: The Hussite Trilogy The Tower of Fools Warriors of God Witcher collections The Last Wish Sword of Destiny Witcher novels Blood of Elves The Time of Contempt Baptism of Fire The Tower of Swallows Lady of the Lake Season of Storms The Malady and Other Stories: An Andrzej Sapkowski Sampler (e-only) Translated by David French

Delivering an inside account of one of wrestling's most famous fighters, this autobiography offers a rare chance to learn about Joe "Animal" Laurinaitis's life both inside and outside the ring. Revealing riveting stories about his participation in the 1980s and 1990s superstar wrestling team the Road Warriors, it recounts memorable fights with his partner Mike "Hawk" Hegstrand. He describes how he and Mike rose to become a revolutionary tag team—reinventing themselves with spiky accessories and wearing face paint before it was popular—and chronicles famous rivalries, movement between different wrestling associations, and dealing with Mike's longtime struggle with drugs and alcohol. He also invites fans into his personal life and discusses his family and newfound Christian faith. Featuring stories of incredible physical feats and deep-felt companionship, this testimony will help fans relive the glory days of a wrestling legacy.

When the 506th Infantry Regiment—known since World War II as the Band of Brothers—returned to Colorado Springs after their first tour in Iraq, a series of brutal crimes swept through the city. The Band of Brothers had been deployed to the most violent places in Iraq, and some of the soldiers were suffering from what they had seen and done in combat. Without much time to recover, they were sent back to the front lines. After their second tour of duty, the battalion was renamed the Lethal Warriors, and, true to their name, the soldiers once again brought the violence home. Lethal Warriors brings to life the chilling true stories of these veterans—from their enlistment and multiple tours of duty to their struggles with PTSD and their failure to reintegrate in society. With piercing insight and employing his relentless investigative skills, journalist David Philipps shines a light not only to this particular unit, but also to the painful reality of PTSD as it rages throughout the country. By exploring the evolving the science and the stigma of war trauma throughout history—from "shell shock" to "battle fatigue" to "combat stress injuries"—Philipps shows that this problem has always existed and that, as the nature of warfare changes, it is only getting worse. In highlighting the inspiring stories of the resilient men and women in the armed forces who have the courage to confront the issue and offer a potential lifeline to the soldiers, Lethal Warriors challenges us to deal openly, honestly, and intelligently with the true costs of war.

"A heart-stomping, heart-stopping read. Unsentimental. Unforgettable. Astonishing. Brothers on Three captures the roar of a community spirit powered by blood history, loyalty, and ferocious love." —Debra Magpie Earling, author of Perma Red
From journalist Abe Streep, the story of coming of age on a reservation in the American West and a team uniting a community March 11, 2017, was a night to remember: in front of the hopeful eyes of thousands of friends, family members, and fans, the Arlee Warriors would finally bring the high school basketball state championship title home to the Flathead Indian Reservation. The game would become the stuff of legend, with the boys revered as local heroes. The team's place in Montana history was now cemented, but for starters Will Mesteth, Jr. and Phillip Malatara, life would keep moving on—senior year was only just beginning. In Brothers on Three, we follow Phil and Will, along with their teammates, coaches, and families, as they balance the pressures of adolescence, shoulder the dreams of their community, and chart their own individual courses for the future. Brothers on Three is not simply a story about high school basketball, about state championships and a winning team. It is a book about community, and it is about boys on the cusp of adulthood, finding their way through the intersecting worlds they inhabit and forging their own paths to personhood.

When Rusty, an ordinary housecat, becomes ThunderClan's new apprentice, he realizes that his past life has not prepared him for the hardships he now faces and so must work extra hard to prove he can be a true warrior.
