Content style guide. We have produced this guide to ensure consistency of style across all University of Dundee content. It can be used by anyone in the University involved in writing both for external and internal communication purposes. Where appropriate, we will clarify differences between print and web. If you have any copy related queries or would like to add to the guidelines please email styleguide@dundee.ac.uk.

Content style guide / Brand / University of Dundee

In some cases, the guidance will be a matter of convention, i.e. where there is only one 'correct' way to express the item, or where the form chosen is based on one or more external sources (see 'References', overleaf). In other cases, we will have chosen a particular form for the university's style.

Word list and common terms / Web support / University of ...

House style Overview. Our house style is very closely linked to our tone of voice: while the tone of voice gives general guidance on the kind of communicator the university should always aim to be, the house style gives more specific advice on how to do that.. House styles typically focus on the areas of written communication that are open to interpretation; that is, where there is more than ...
