A Native American version of the big race between the turtle and the hare shows that it was not being slow and steady that won turtle the big race.

Maybe you think you know the story of the big race between Rabbit and Turtle. Think again! In this story from the Choctaw People, Tim Tingle shows that it was not being slow and steady that won Turtle the big race, it was those feathers!!!

Chulyen the trickster raven loses his nose one day, but he vows to get it back. Luckily he has some special powers to help him! How Raven Got His Crooked Nose is a modern retelling of a traditional Native American fable. Part picture book and part graphic novel, this beautifully illustrated story teaches an important lesson to children through Dena'ina mythology and includes a glossary of Dena'ina words to learn.

This picture book for young children is an empowering Indigenous twist on a classic wolf narrative.

Read Along or Enhanced eBook: In this Choctaw variant of Aesop's fable "The Tortoise and the Hare," master storyteller Tim Tingle reveals some unexpected twists and expands the cast to include a wild turkey, a colony of ants, and a cheering squad of Little Bitty Turtles as well. When Rabbit boastfully challenges Turtle to a race, he gets his comeuppance and Turtle gets a little assist from his winged friend, Turkey. In the process, we learn why Turtle's shell is cracked and why you never see Rabbit racing Turtle today. The bold and vibrant illustrations capture not only the grasslands of the High Plains but also the demeanor of its animal inhabitants and the humor of the tale.

"The hour has come to speak of troubled times. It is time we spoke of Skullyville." Thus begins the House of Purple Cedar, Rose Goode's telling of the year when she was eleven in Indian country, Oklahoma. The Indian schools boys and girls had been burned, stores too. By the time the railroad came, all of Skullyville had been burned.

Oklahoma, or "Okla Homma," is a Choctaw word meaning "Red People." In this collection, acclaimed storyteller Tim Tingle tells the stories of his people, the Choctaw People, the Okla Homma. For years, Tim has collected stories of the old folks, weaving traditional lore with stories from everyday life. Walking the Choctaw Road is a mixture of myth stories, historical accounts passed from generation to generation, and stories of Choctaw people living their lives in the here and now. The Wordcraft Circle of Native American Writers and Storytellers selected Tim as "Contemporary Storyteller Of The Year" for 2001, and in 2002, Tim was the featured storyteller at the National Storyteller Festival in Jonesboro, Tennessee. Tim Tingle lives in Canyon Lake, Texas.

Dinosaurs disappeared completely from the Earth many, many years ago...or did they? An ALA Notable Children's Book A Kirkus Reviews Best Book of the Year! Millions of years ago, dinosaurs roamed the shores of Mesozoic seas. They lay eggs in the shade of ginkgo trees, and as time went on, dinosaurs grew, and grew, and grew. There were so many different species of dinosaurs. Large, monstrous, and fearsome, they ruled the earth. Until gradually, there were no dinosaurs left. But they didn't disappear completely. Some dinosaurs had feathers, which grew and grew...until all through the skies were hundreds of species of birds, which flew and flew. From the bestselling creator of Dinosaur Dream Dennis Nolan comes a poetic nonfiction picture book about how dinosaurs evolved into birds. A Bank Street Best Book of the Year - Outstanding Merit An ILA-CBC Children's Choice!

Amelia Earhart is a legend in the field of aviation, and no accomplishment of hers is more acclaimed than her unparalleled 1932 solo flight across the Atlantic. As only the second person—and the first woman—to achieve such a feat, Amelia Earhart earned a place in the history books, and award-winning author Robert Burleigh has captured every nuance of her remarkable journey in this detailed picture book that is full of action and edge. Readers will be thrilled with the adventure and drama in this nonfiction account—and Wendell Minor's vivid paintings will make them feel as if they're along for the ride.
